

Vintage Stock Announces New Store Management

February 25, 2009

Vintage Stock is announcing a management changes within its Kansas City market. Current manager of our store in Metcalf, Chris Lenger, is leaving to manage one of our stores in Springfield, MO. Replacing him will be Basabas Bennett, who currently manages the store at 135th Street in Overland Park, KS. This move also creates a great advancement opportunity. Taking over for Basabas will be Brandon Knapp, presently the Assistant Manager at 135th. We are excited about these changes and hope that our customers will embrace these new managers in their new stores. Remember, Vintage Stock is the smart retailing experience where friendly and knowledgeable sales staff helps you buy, sell, and trade music, video games, movies and more.
